The annual straw poll was available to CPAC attendees from Wednesday, March 2nd to Saturday, March 5th. A total of 2,659 CPAC attendees participated in the straw poll.

Participants had the option to complete the straw poll via email or through the official CPAC App on their mobile device. Additionally, respondents had the ability to complete the straw poll in person at one of the seven stations available to participants at the event.

Each CPAC attendee was assigned a unique, five digit PIN code with their registration materials. Respondents were required to enter their PIN code as well as the email used to register to complete the straw poll, ensuring that only CPAC registrants could participate.
